

Application Work Sample

E-commerce Manager 2010

Admission qualifications:

The program requires a minimum two years of industry experience or two years of previous fulltime studies relevant to the program's curriculum. The program also requires pre-requisites in English, since this is the first language at Hyper Island. You also need to be at least 18 years of age and have essential eligibility to study at a college for higher learning.

Assignment CV and personal letter:

Apply a CV and a personal letter. Describe yourself and let us know why you want to become an E-commerce Manager student at Hyper Island. Maximum one A4 paper.

Please send your cv and personal letter to:
