

Application Work Sample

Motion Graphics program 2010

Admission qualifications:

The program requires a minimum two years of industry experience or two years of previous fulltime studies within the design/ interactive field. The program also requires basics in English, since this is the first language at Hyper Island. You also need essential eligibility to study at a college for higher learning and to be least 18 years of age.

Assignment portfolio:

Apply a digital portfolio. The portfolio works as a guideline and a way of showing examples of your work that puts forward your creative, programming and design skills

Assignment CV and personal letter:

Apply a CV. Please also and a personal letter, maximum 500 words. Describe yourself and let us know why you want to become a Motion Graphics program student at Hyper Island.

Application work sample instructions:

The estimated time to asses a work sample is seven minutes per applicant. The work sample should be delivered in a digital format. It must be CLEARLY marked with your name and address.

If your work sample comes as a video film the maximum length is five minutes.

The work sample is to be delivered on a CD/DVD-ROM. Note that references to e URL address will not be accepted.

Please send your CV and personal letter to:
