

# Application Work Sample

Motion Graphics Designer and Developer 2010

## Admission qualifications:

The program requires a minimum two years of industry experience or two years of previous fulltime studies within the design/ interactive field. The program also requires pre-requisites in English, since this is the first language at Hyper Island. You also need essential eligibility to study at a college for higher learning and to be least 18 years of age.

## Assignment portfolio:

Apply a digital portfolio. The portofolio works as a guideline and a way of showing examples of your work that puts forward your creative, programing and design skills

## Assignment CV and personal letter:

Apply a CV and a personal letter. Describe yourself and let us know why you want to become an Motion Graphics Designer and Developer student at Hyper Island. Maximum one A4 paper.

## Application work sample instructions:

Estimated work sample time is seven minutes per applicant. The work sample should be delivered in a digital format. It must be **CLEAR** marked with your name and address.

If your work sample comes as a video film, maximum length is five minutes.

The work sample is to be delivered on a CD/DVD-ROM. Note that references to e URL address will not be accepted.

Please send your cv and personal letter to:
